CORRIGENDUM on the paper
"Meta-nilpotent quotients of mapping-torus groups "

Takefumi Nosaka[1]

I give a list of errata in the paper I am terribly sorry that some readers became confused by the errors.

Page and line	Original statement	correct statement
Corollary 2.3	α_{2g-i}^{-1} $n_u^{(2g-i)}$	α_{2g-i+1}^{-1} $n_u^{(2g-i+1)}$
§6 Proof of Prop. 3.4	Since λ is a linear	Since η is a linear
§6 Proof of Prop. 3.4	λ is a quadratic function	λ is a quadratic function
